1. STATE OF COMPANY'S AFFAIRS

Income from operations during the financial year ended 31st March 2019 was at Rs 1602.09 Lakhs as against Rs 1539.12 Lakhs representing an increase of 04.09% over the previous year. Profit after Tax for the year under review amounted to Rs 0.40 Lakhs as against Rs 47.86 Lakhs in the previous year representing decrease of 99.16%.

2. CHANGE IN THE NATURE OF BUSINESS

Your Company continues to operate in the same business segment as that of previous year and there is no change in the nature of the business.

3. IMPACT OF COVID-19

The impact of the novel Coronavirus on Indian real estate has been unprecedented to an extent that it has brought construction activities to a halt and significantly eroded the market of its potential buyer-base. With property transactions dipping to near-zero during the nation-wide lockdown, the sector is looking at challenging times ahead. The interdependence of supply chains, migration of labourers, cost overruns, and liquidity constraints are some of the looming challenges. The COVID-19 crisis and its impact on Indian real estate is such that it is being considered as the third 'Black Swan' event for the realty sector in the last five years, the first two being Demonetisation and the implementation of the Real Estate (Regulation and Development) Act, 2016.

32nd Annual Report 2019-20 [20]

ANNEXURE-A MANAGEMENT DISCUSSION AND ANALYSIS

Management Discussion and Analysis is given in a separate section forming part of the Director's Report in this Annual Report.

1. INDUSTRY STRUCTURE & DEVELOPMENT

As per the advance estimates for 2019-20, the growth in real GDP during 2019-20 is estimated at 5 per cent as compared to 6.8 per cent in 2018-19. Further, due to Covid-19 (Pandemic) Economic growth witnessed led a slowdown in agriculture, weaker consumer spending and investments, and a marked slowdown in the manufacturing sector. Economy as a whole is in financial distress due to nationwide lockdown imposed by Central Government.

2. OPPORTUNITIES

We are in the midst of Covid-19 and no one is sure about it's impact till vaccine is found. In view of this we restrained our self to give any comment on Industry.

3. THREATS

The sector is grappling with liquidity deficit in the aftermath of Pandemic (Covud-19), high Cost of Capital, and string of stalled projects.

4. RISKS & CONCERNS

Your Company has laid down procedures to inform the Board members about the risk assessment and risk minimization procedures. The Company is exposed to price risks.

Unfavourable changes in government policies and the regulatory environment can adversely impact the performance of the sector. There are substantial procedural delays with regards to land acquisition, land use, project launches and construction approvals. Retrospective policy changes and regulatory bottlenecks may impact profitability and affect the attractiveness of the sector and companies operating within the sector.

Real estate is a capital and labour-intensive industry, thus a rise in cost of labour coupled with shortage due to Covid-19 creates issues in development of the project. Furthermore, unfair practices of certain sections of distributors and the cement industry by raising the price creates issues in project completion.

5. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's policies and procedures take into account the design, implementation and maintenance of adequate internal financial controls, keeping in view the size and nature of the business. The system ensures adherence to accounting standards, compliance to various statutes, company policies and procedures and effective usage of resources and safeguarding of assets.

The culture of self-governance and internal control sustained through varied set of activities

including well defined policies and self-certification on adherence to the policies and procedure.

6. DISCUSSION ON FINANCIAL PERFORMANCE

Net revenue is **RS 1602.09 Lakhs** over the previous year. The Company has earned Profit of **Rs. 0.76**

Lakhs in 2019-20.

7. SIGNIFICANT DEVELOPMENTS IN HUMAN RESOURCES

There is no material development in human resources and industrial relations are cordial.

8. CAUTIONARY NOTE

Statement in this report describing the Company's objectives, projections, estimates and expectations

may be 'forward looking statements' within the meaning of applicable laws and regulations. Although

we believe our expectations are based on reasonable assumptions, these forward-looking statements

may be influenced by numerous risks and uncertainties which include changes in government

regulation, tax regimes and other incidental factors that could cause actual outcomes and results to

be materially different from those expressed or implied.

Standalone Financial statements

To,

The Members of

PRERNA INFRABUILD LTD

(Formerly known as Prerna Finsafe Ltd)

Report on Standalone Financial statements

We have audited the accompanying standalone financial statements of **PRERNA INFRABUILD LTD** ("the company") which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management Responsibility for the financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance

with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provision of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and Rules made there under.

We conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment the Risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial controls relevant to company's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by company's Directors, as well as evaluating the overall presentation of financial statements.

We believe that audit evidence we obtain is sufficient and appropriate to provide basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2020 and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal

32nd Annual Report 2019-20 [58]

financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Particulars Note

1 Significant accounting policies:

a Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

clinventories

Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

d Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

e Statement of cash flows:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

f Depreciation and amortisation

Depreciation has been provided on the written down method as per the rates prescribed in Schedule XIV to the Companies Act, 1956 except in assets costing less than Rs.5,000 each are fully depreciated in the year of capitalisation

g Revenue recognition

i Accounting of construction contracts

The company follows the percentage completion method based on the stage of completion at the balance sheet date, taking into account the contractual price and revision thereto by estimating total revenue and total cost till completion of the contract and the profit so determined has been accounted for proportionate to the percentage of actual work done. Project revenue is recognised at the percentage of work completed to total sales consideration as per agreements to sale/ allotments executed. Project costs which are recognised in the statement of profit and loss by reference to the stage of completion of the project activity are matched with the revenue recognised resulting in the reporting of revenue, expenses and profit which can be attributed to the proportion of work completed.

ii Income from services

Rent from Safe vault is recogised on acrual basis

h Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

i Tangible fixed assets

Fixed assets, except land are carried at cost less accumulated depreciation and impairment losses, if any. The company capitalized all cost relating to acquision and installation of fixed assets.

Borrowing costs are capitalised as part of qualifying fixed assets. Other borrowing costs are expensed.

Advances paid towards the acquision of fixed assets outstanding at each balance sheet date are disclosed as "Capital Advances" under short term advances and cost of fixed assets not ready to use before such dates are disclosed under "Capital work in progress".

j|Impairment of Assets

At each Balance Sheet date, the management makes as assessment of any indicator that may lead to impairment of assets. An asset is treated as impaired when the carrying cost of the asset exceeds it's recoverable value, which is higher of net selling price and value in use. Any impairement loss is charged to statement of profit and loss in the year in which it is identified as impaired.

kInvestments

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as long term investments. Current Investments are stated at lower of cost and fair value. Long term investments are stated at cost of acquisition. Provision for diminution is made when such diminution is considered other than temporary in nature. Valuation is determined on the basis of each category of investments.

Retirement Benefits to Employees:

The law relating to retirement benefits of employees are not followed by the company and the retirement benefits are accounted for on cash basis.

m Taxation

- a. Current tax is determined on the profit for the year in accordance with the provisions of the Income tax Act,
- b. Deferred tax is calculated at the rates and laws that have been enacted or substantively enacted as of the Balance Sheet date and is recognized on timing difference that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets, subject to consideration of prudence are recognized and carried forward only to the extent that they can be realized.

n Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be outflow of resources. Contingent Liabilities are not recognised, but are disclosed in the notes. Contingent assets are neither recognised nor disclosed in the financial statements.

o Expenses relating to amalgamation:

The expense relating to amalgamtion is carried as an asset and is amortised over a period of 5 years from the date of the amalgamation.

Management Responsibility for the consolidate financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("The Act") with respect to the preparation and presentation of these consolidated financial statements that give true and fair view of financial position, financial performance, cash flow of the group and consolidated changes in equity of the group in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies: making judgments and estimates that are reasonable and prudent: and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give true and fair view and are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provision of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and Rules made there under.

We conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment the Risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial controls relevant to company's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by company's Directors, as well as evaluating the overall presentation of consolidated financial statements.

We believe that audit evidence obtained by us is sufficient and appropriate to provide basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2020 and its

consolidated profit and its cash flows and consolidated changes in equity for the year ended on that date.

Annexure (A) to Auditors' Report

Referred to in paragraph 1(f) under the heading "Report on other legal and regulatory requirements" of our report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Control over financial reporting of Prerna Infrabuild Limited (hereinafter referred to as "the Company"). as of 31st March, 2020 in conjunction with our audit of the consolidated financial statements of the Company for the year then ended.

Management's Responsibility for Internal Financial Control

The respective Board of Directors of the Holding company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting is based solely on our report on the standalone financial statement of the Company for the year ended 31st March, 2020, since it did not have any subsidiary, associate or jointly controlled companies which are incorporated in India as on that date.

Note Particulars

1 Significant accounting policies:

a Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

c Inventories

Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

d Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

e Statement of cash flows:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

f Depreciation and amortisation

Depreciation has been provided on the written down method as per the rates prescribed in Schedule XIV to the Companies Act, 1956 except in assets costing less than Rs.5,000 each are fully depreciated in the year of capitalisation

g Revenue recognition

i Accounting of construction contracts

The company follows the percentage completion method based on the stage of completion at the balance sheet date, taking into account the contractual price and revision thereto by estimating total revenue and total cost till completion of the contract and the profit so determined has been accounted for proportionate to the percentage of actual work done. Project revenue is recognised at the percentage of work completed to total sales consideration as per agreements to sale/ allotments executed. Project costs which are recognised in the statement of profit and loss by reference to the stage of completion of the project activity are matched with the revenue recognised resulting in the reporting of revenue, expenses and profit which can be attributed to the proportion of work completed.

ii Income from services

Rent from Safe vault is recogised on acrual basis

h Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

i Tangible fixed assets

Fixed assets, except land are carried at cost less accumulated depreciation and impairment losses, if any. The company capitalized all cost relating to acquision and installation of fixed assets.

Borrowing costs are capitalised as part of qualifying fixed assets. Other borrowing costs are expensed.

Advances paid towards the acquision of fixed assets outstanding at each balance sheet date are disclosed as "Capital Advances" under short term advances and cost of fixed assets not ready to use before such dates are disclosed under "Capital work in progress".

illmpairment of Assets

At each Balance Sheet date, the management makes as assessment of any indicator that may lead to impairment of assets. An asset is treated as impaired when the carrying cost of the asset exceeds it's recoverable value, which is higher of net selling price and value in use. Any impairment loss is charged to statement of profit and loss in the year in which it is identified as impaired.

kInvestments

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as long term investments. Current Investments are stated at lower of cost and fair value. Long term investments are stated at cost of acquisition. Provision for diminution is made when such diminution is considered other than temporary in nature. Valuation is determined on the basis of each category of investments.

Retirement Benefits to Employees:

The law relating to retirement benefits of employees are not followed by the company and the retirement benefits are accounted for on cash basis.

m|Taxation

- a. Current tax is determined on the profit for the year in accordance with the provisions of the Income tax Act, 1961.
- b. Deferred tax is calculated at the rates and laws that have been enacted or substantively enacted as of the Balance Sheet date and is recognized on timing difference that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets, subject to consideration of prudence are recognized and carried forward only to the extent that they can be realized.

n Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be outflow of resources. Contingent Liabilities are not recognised, but are disclosed in the notes. Contingent assets are neither recognised nor disclosed in the financial statements.

o Expenses relating to amalgamation:

The expense relating to amalgamtion is carried as an asset and is amortised over a period of 5 years from the date of the amalgamation.
