Independent Auditor's Review Report

To, The Board of Directors, Prerna Infrabuild Limited, Ahmedabad.

We have reviewed the accompanying statement of unaudited consolidated financial results of Prerna Infrabuild Limited for the quarter ended on 31th December, 2023 and year to date results for the period 01st October 2023 to 31th December, 2023 ("the statement") ("the statement") attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, (The Listing Regulations)

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors of the company. Our responsibility is to issue a report on these consolidated financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended including the manner in which it is to be disclosed, or that it contains any material misstatement.

Our conclusion is not modified in respect of this matter.
